

City of Marfa Shelter-In-Place

In effect until 4/30/2020 at 11:59 p.m.

What activities are OK?

Personal Activities

- Getting groceries, household supplies, medicine and gas
- Going to the doctor's office
- Outdoor activities (hiking, biking, running, walking pets, etc.) while maintaining social distance requirements)
- Caring for family and pets
- **UPDATED: small private gatherings of ten (10) people or less in private residences, so long as CDC social distancing and personal hygiene practices are followed**

Essential Work Services

- Healthcare workers
- Public infrastructure operations (sewer, gas, construction, oil and gas work, telecommunications support)
- Transportation and transportation repairs
- Government functions (first responders, emergency management personnel, judges and court personnel, law enforcement)
- School personnel (and families leaving home to get school work and meals)
- Other individuals deemed necessary by the mayor
- Businesses that provide food, shelter, and social services
- Newspaper, television and radio services
- Gas stations and auto-related facilities
- Banks and financial institutions
- Hardware stores, plumbers, electricians, HVAC techs, landscapers
- Mailing and shipping services
- Laundromats, dry cleaners and laundry services
- Carry-out and delivery restaurants (must close by 10:00 p.m.)
- Airlines, taxis and private transportation
- Legal and accounting services
- Home-based care
- Funeral homes
- Childcare facilities that enable essential employees to work

Essential Travel

- Anything related to essential personal, healthcare, business or government functions (listed above)
- Travel to care for elderly, minors, dependents, disabled or vulnerable persons and animals
- Travel to and from educational institutes for materials or meals
- Travel to residence
- Travel required by law enforcement or court order
- **UPDATED: Marfa residents traveling out of the tri-county solely for non-emergency, elective, and emergency medical treatment do not have to quarantine for 14 days. Contact with the public at large should be avoided, and CDC social distancing and personal hygiene practices (including recommended use of face masks) should be followed.**

For any questions, call City Manager John Washburn at 432.295.0068 or Chief of Police Steve Marquez at 432.295.2613
